<sup>1</sup>Qualifying distributions are the expenditures used in calculating the required 5 percent payout for private foundations; includes total giving, as well as reasonable administrative expenses, set-asides, PRIs, operating program expenses, and the amount paid to acquire assets used directly for charitable purposes.

<sup>2</sup>Includes grants, scholarships, and employee matching gifts; excludes set-asides, loans, PRIs, and program expenses.

<sup>3</sup>Program-Related Investments (PRIs) include low- or no-interest loans and charitable investments for projects clearly related to the foundations' grantmaking interests. These disbursements count toward qualifying distributions.
