¹Qualifying distributions are the expenditures used in calculating the required payout 5 percent payout for private foundations; includes total giving, as well as reasonable administrative expenses, set-asides, PRIs, operating program expenses, and amount to acquire assets used directly for charitable purposes.

²Includes grant, scholarships, and employee matching gifts; excludes set-asides, loans, PRIs, and program expenses. For some operating foundations, program expenses are included.

³Program-Related Investments (PRIs) include low- or no-interest loans and charitable investments for projects clearly related to the foundations' grantmaking interests. These disbursements count toward qualifying distributions.
