Based on all grants of \$10,000 or more awarded by a national sample of 1,263 larger U.S. foundations (including 800 of the 1,000 largest ranked by total giving and the top ten foundations in each state). For community foundations, only discretionary grants are included. Grants to individuals are not included in the file. The search set includes all grants to recipient organizations classified in this topic area and grants to other recipient types for activities classified in this topic area. Grants may therefore be included in more than one topic table, e.g., a grant to a university for its arts program is included in Education, Higher Education, and Arts.
