Source: The Foundation Center, 2005. Based on grants of \$10,000 or more awarded by a national sample of 1,010 larger U.S. foundations. For community foundations, only discretionary grants are included. Grants to individuals are not included in the file.

\*All dollar figures expressed in thousands; grants may occasionally be for multiple types of support and would therefore be counted more than once.

<sup>1</sup>Qualifying types of support are tracked in addition to basic types of support, i.e., a challenge grant for construction, and are thereby represented separately.
