Source: The Foundation Center, *Foundation Yearbook*, 2007. Aggregate foundation fiscal information in tables and figures is based on data provided to the Center as of January 2007.

Fiscal data on individual foundations included in this table may be more current.

<sup>1</sup>IN = Independent; CS = Corporate; CM = Community; OP = Operating.

<sup>2</sup>Includes grants, scholarships, and employee matching gifts; excludes set-asides, loans, PRIs, and program expenses.

<sup>3</sup>Qualifying distributions are the charitable expenditures used in calculating private foundations' required annual 5 percent payout; includes total giving, as well as reasonable administrative expenses, set-asides, PRIs, operating program expenses, and amounts paid to acquire assets used directly for charitable purposes.

<sup>4</sup>For some operating foundations, total giving amount includes grants and program expenses; for others, total giving amount includes only grants. Most operating foundations' qualifying distributions are paid out for administration of operating programs and not for grants.

<sup>5</sup>In 2006, the Peninsula Community Foundation and the Community Foundation Silicon Valley merged to become the Silicon Valley Community Foundation.
