¹IN=Independent; CS=Corporate; CM=Community; OP=Operating.

²Includes grants, scholarships, and employee matching gifts; excludes set-asides, loans, PRIs, and program expenses.

³Qualifying distributions are the charitable expenditures used in calculating private foundations' required annual 5 percent payout; includes total giving, as well as reasonable administrative expenses, set-asides, PRIs, operating program expenses, and amount paid to acquire assets used directly for charitable purposes.

⁴For some operating foundations, total giving amount includes grants and program expenses; for others, total giving amount includes only grants. Most operating foundations' qualifying distributions are paid out for administration of operating programs and not for grants.
