

SPOTLIGHT ON ARTS GRANTMAKING IN OHIO

The Foundation Center's mission is to strengthen the nonprofit sector by advancing knowledge about U.S. philanthropy. We are pleased to present this brief exploration into arts and culture grantmaking (referred to as "arts" throughout the report) for the third consecutive year. We hope that it will help you gain insights into the state of arts grantmaking in Ohio.

This "Spotlight" includes side by side comparisons of arts giving to Ohio recipients from foundations in Ohio and from foundations outside the state. The report illustrates giving by specific categories within the arts (subfields) and by type of support (purpose of the grant). Data tables provide top 10 lists of the largest foundations giving to the arts in Ohio and the top 20 recipients. A mini-directory of selected Ohio and non-Ohio foundations making arts grants to Ohio recipients rounds out the picture.

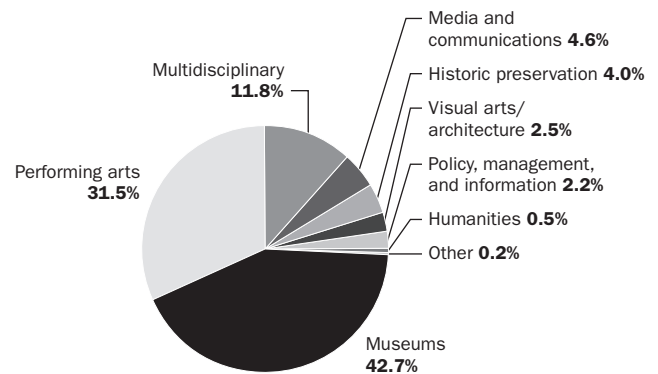

GRANTS SAMPLE

Each year the Foundation Center indexes all of the grants of \$10,000 and more awarded by more than 1,000 of the nation's largest private and community foundations. Our most recent (2004) sample includes over 126,000 grants awarded by 1,172 U.S. foundations totaling \$15.5 billion. Of the 1,172 foundations in the sample, this report analyzes arts grants made to Ohio recipients by 98 foundations, 36 that are based in Ohio and 63 that are based outside Ohio, totaling \$56.9 million.

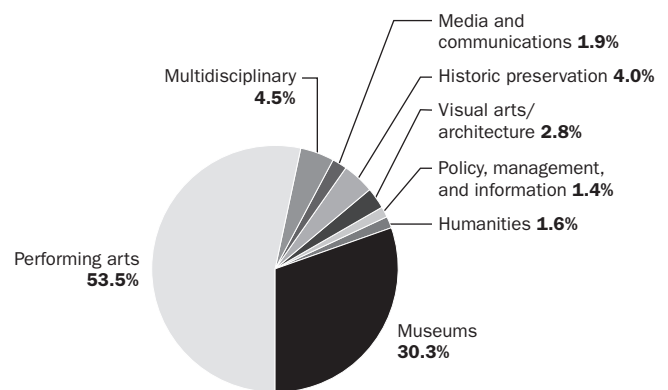

COMPARISON OF GRANTS FROM OHIO AND NON-OHIO FUNDERS BY ARTS SUBFIELDS

Ohio grants for museums and for performing arts combined accounted for nearly 75% of all Ohio giving for the arts, with funding for museums capturing the largest share. This concentration of giving was even more pronounced among non-Ohio foundations giving for the arts, with funding for museums and performing arts capturing 84% of all non-Ohio grants dollars for the arts in Ohio.

Funding for Museums and for Performing Arts accounted for the largest share of arts giving to Ohio recipients

Ohio Foundations = \$43.6 million

Non-Ohio Foundations = \$13.3 million

A MINI-DIRECTORY OF SELECTED FOUNDATIONS FUNDING THE ARTS

The following Ohio private and community foundations were identified in the Foundation Center's 2004 grants sample as awarding significant numbers of arts grants or arts grant dollars to Ohio recipients. For most of the funders in this directory, the arts is just one among many areas of interest for their grantmaking. The descriptions provided here attempt to capture just their arts interests, but should not be taken as an indication that they devote their grantmaking exclusively to the arts. More complete descriptions can be found in *The Foundation Directory Online*, available for free use at our Cleveland library or as a subscription at fconline.foundationcenter.org.

FOCUS ON CLEVELAND MUSEUM OF ART

Cleveland Museum of Art
11150 East Boulevard
Cleveland, Ohio 44106

“We are deeply appreciative of the support we receive from local, regional, and national foundations. The exhibitions and programs made possible by these grants help the museum to fulfill its mission and add immeasurably to the richness and vibrancy of the cultural, educational, and economic life of Northeast Ohio.”

— Jack Stinedurf, Director of Development

Currently undergoing a \$258 million renovation and expansion project, the Museum, established in 1913 “for the benefit of all the people forever,” seeks to bring the pleasure and meaning of art to the broadest possible audience in accordance with the highest aesthetic, intellectual, and professional standards. The Museum’s collection includes 41,255 works of art representing all cultures and tracing 5,000 years of human history. As one of northeastern Ohio’s principal cultural institutions, the Museum presents special exhibitions throughout the year; education programs, including school tours and distance learning; annual community arts festivals, such as Parade the Circle; and a wide variety of performing arts events. The Museum’s art research library, serving more than 20 colleges and universities, Museum members, and the general public, is the fourth largest in the United States.
