1. Figures include all private and community foundations that made grants in their latest fiscal year.

2. New York metropolitan area includes Bronx, Kings, New York, Putnam, Queens, Richmond, Rockland, and Westchester counties, as defined by the U.S. Census Bureau.

3. Foundations were ranked by total giving, and the giving figure for the foundation at the midpoint represented the median.

4. Based on a sample of grants awarded by 1,015 larger U.S. foundations, including 173 New York area foundations accounting for more than three-fifths of total giving by New York area foundations.
